**FROM:** Bill Halbert, CEO/Executive Secretary-Treasurer,  
Mid-Atlantic Regional Council Of Carpenters

**SUBJECT:** Endorsement Of Phil Mendelson For  
Chairman of the Council Of The District Of Columbia

On behalf of the Mid-Atlantic Regional Council of Carpenters, I hereby announce our endorsement of Phil Mendelson for Chairman of the Council of the District of Columbia.

Throughout his service as a Councilmember, Phil has proven himself to be a staunch supporter of working people and their families. Further, over the years, Phil has demonstrated a wide and deep understanding of the problems facing working people in the District.

More important, he has demonstrated courage and skill in developing programs and legislation to address those problems.

It is for this reason that our organization, an affiliate of the United Brotherhood of Carpenters and Joiners of America, proudly endorses Phil Mendelson for Chair.
